

Hazard Mitigation Plan Public Meeting on September 8, 2017

Central Texas Council of Governments and Milam County will hold a public meeting on Friday, September 8th to gather public input for the Hazard Mitigation Plans for the **Counties of Bell, Hamilton, and Milam and the Central Texas Council of Governments**. The meeting is at **12 p.m. at the Milam County Courthouse** – County Courtroom; 102 South Fannin Avenue, Cameron, Texas 76520. The public is invited and encouraged to attend the meeting.

The purpose of the public meeting is to provide a project overview from H₂O Partners, Inc., consultant to the project, and solicit information from citizens. Public input will help the project team to analyze potential hazards affecting residents and recommend possible actions to reduce their impact.

If you cannot attend the public meeting, a public participation survey is available at https://www.surveymonkey.com/r/CTCOG_HMAP

The goal of the Hazard Mitigation Plans is to minimize or eliminate the long-term risk to human life and property from known hazards by identifying and implementing cost-effective mitigation actions. Mitigation is defined by the Federal Emergency Management Agency as sustained actions taken to reduce or eliminate long-term risk to people and property from hazards and their effects.

Questions about the Hazard Mitigation Plans should be addressed to H₂O Partners, Inc., planning consultants for the CTCOG; Attn: Heather Ferrara, Project Manager by email at heather@h2opartnersusa.com.
