Dear Judge Dave Barkemeyer:

We are in the process of applying for the Home Delivered Meal Grant Application for 2017 with the Texas Department of Agriculture (TDA). Last year for your contribution grant of \$1,570.00, HCCAA received \$8,024.21 from TDA for the Home Delivered Meals program in Milam County.

In order for HCCAA to be eligible to receive funds for 2017, TDA again requires each participating County to make a grant (same amount as last year) to HCCAA which is based on the 2010 Census data regarding the number of Senior Citizens residing in the County. This requires that each County Commissioner's Court pass a resolution certifying the amount of the grant they will be making to HCCAA. Attached is the Resolution form with the amount of the Grant already filled in. If you would please present it at the next commissioner's court meeting and sign and return the **original** as soon as possible to:

Tama Shaw, CEO
HCCAA
P. O. Box 846
San Saba TX 76877

The completed and signed resolution will be submitted as a part of the application for the TDA Grant. The application must be postmarked by November 1, 2016 and mailed to the Texas Department of Agriculture. Thank you for your continued support. If you have any questions, please call me at 325/372-5167, ext. 236.

RE: New Private Road

Dear Sir:

The Emergency Services division of the Central Texas Council of Governments has determined a public safety need for 9-1-1 physical addressing for residential structures off of **County Road 449** due to a new address request.

Per National Emergency Number Association standards, the 9-1-1 addressing procedures state, "*any private drive with two (2) or more residences using the private drive, or for any private drive leading to one (1) or more residences longer than one-quarter mile in length, the private drive shall be named and residential structures shall be addressed off the newly named private drive.*"

The recommended name of this new private drive for 9-1-1 addressing is **Private Road 4498**.

The intent of this private drive naming and addressing is to improve emergency response, should it ever be needed. Naming the private drive and addressing the residences may also improve delivery of all services to these citizens (Postal and UPS/FedEx delivery and other home delivery services).

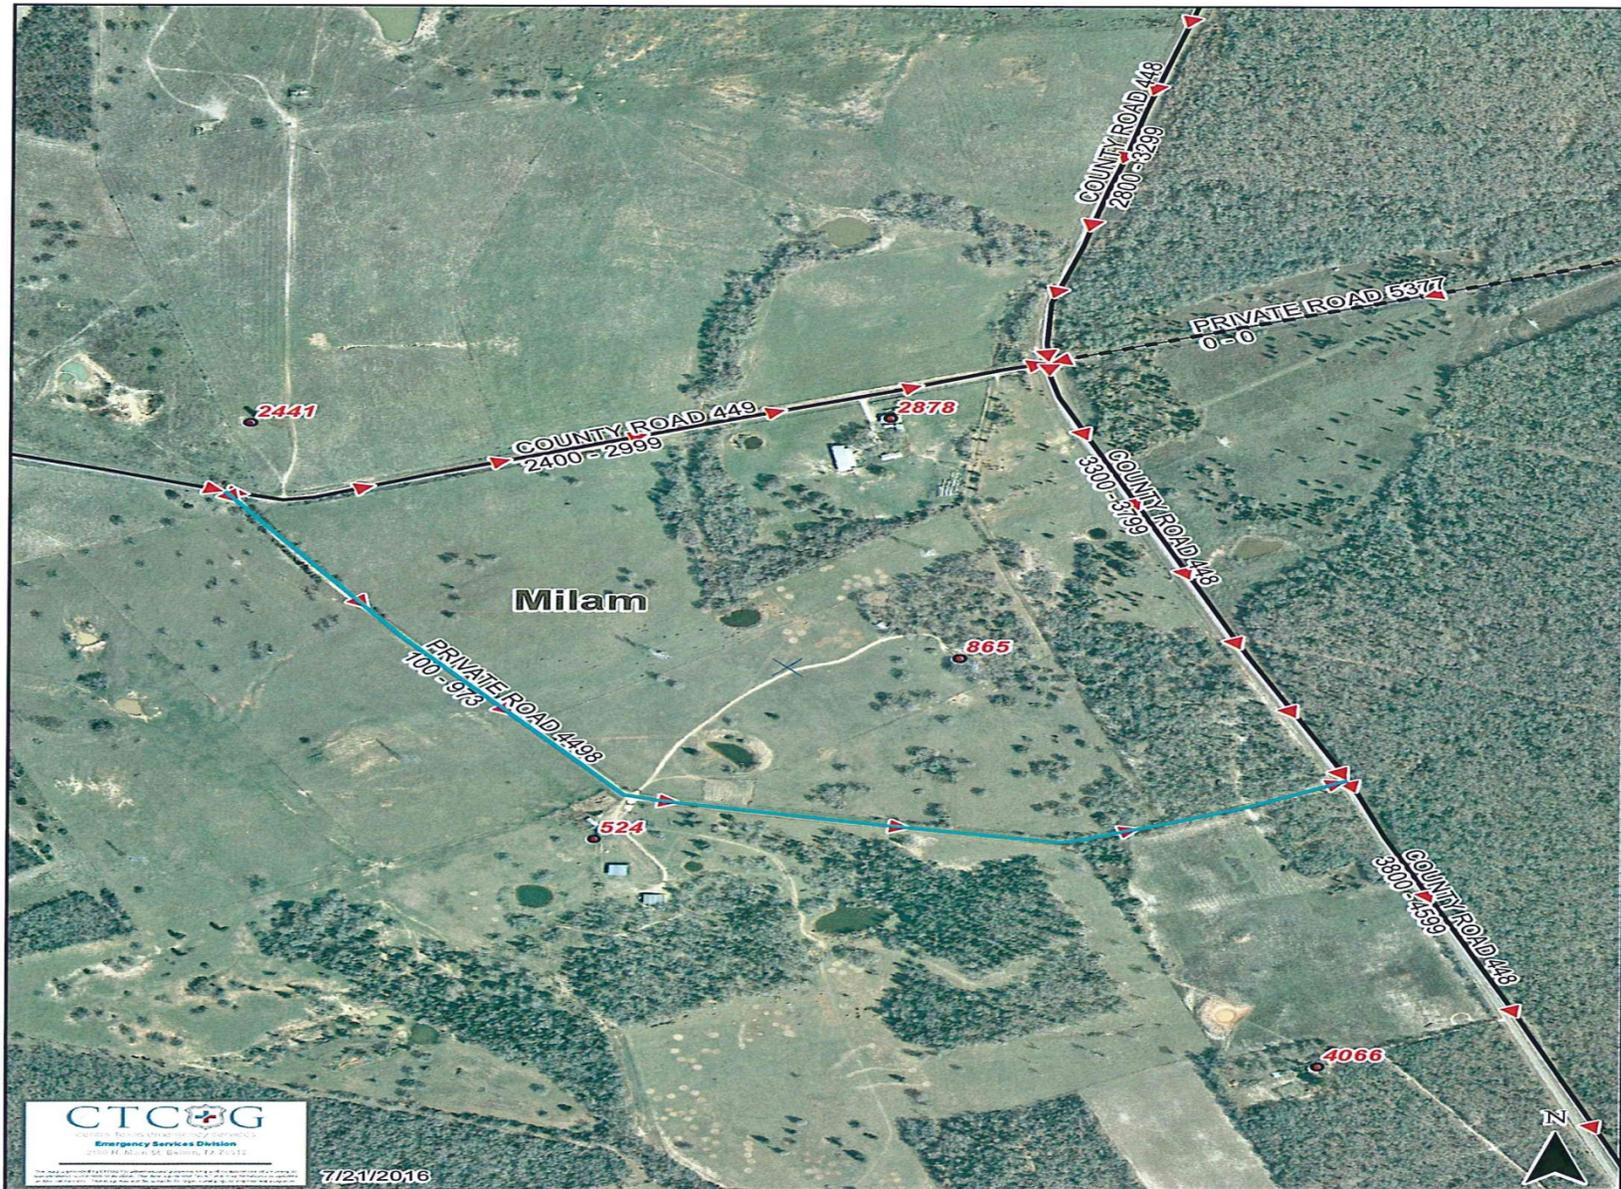

This private road name is pending approval by the Milam County Commissioners; upon approval please notify our office so that we can continue the addressing process for these residents.

If you have any questions concerning the naming of this road, please contact me at (254) 770-2371.

Sincerely,

Elizabeth J. Leatherwood
