

**MILAM COUNTY COMMISSIONER'S COURT**

**Public Participation Form**

**(Prayer, Words of Encouragement)**

The purpose in this is to first of all assure individuals of all religious faiths as well as those who might profess no belief in deity that you are welcome at Commissioner's Court meetings.

It is our practice to offer a prayer to begin our session asking God's blessing on our efforts. Since most of us are Christians, that opening prayer is usually in the Christian format. However, if you are of another religious faith or would like to offer a word of encouragement in a non-religious format, we welcome that and we offer you that opportunity by filling out this public participation form and submitting it to the County Judge's office prior to the Commissioner's Court meeting. You will be called upon to participate following the period of silence when all present will have an opportunity to meditate following the opening prayer.

Please limit your participation to 3 minutes .
