

4-5-17 County Judges Article

RICK GOMMERT

At the last Commissioner's Court meeting we accepted the resignation of Precinct 1 justice-of-the-peace Rick Gommert who has served as judge in that precinct for over six years. I would like to express our appreciation to him for his service to the county during this time.

Rick had spent a career in the military, having served in the Marines, and in law enforcement, having been a state trooper, and as an undercover agent in the Drug Enforcement Administration both internationally and domestically, before retiring back here to Milam County.

In many ways Rick is a very private person and never said very much about his past experiences. He and I came into office at the same time and he's always been a consistent supporter these past six years, a fearless man of integrity. I wish him the best in his future endeavors.
